

House and Home

I remember when...

- I lived with my parents
- I made something for the house

I remember where...

- I used to play
- I kept my treasured items

I remember why...

- We decided to redecorate
- We moved house

I remember them...

- My family
- A good neighbour

I remember who...

- Painted and Decorated
- Mowed the grass and tended the garden

I remember how...

- We heated the house
- We kept the food cool in summer

My earliest memory....

- The first home I lived in
- Family get-togethers
