

Curious Curator

Imagine you are the History Curator at the City Museum & Art Gallery.

Several artefacts have been found by archaeologists, and the museum has been asked to care for them.

As the Curator you need to fill in the object record card below to add the object(s) to the collection.

Name of object

Colour

Material/s it is made of

Size

Weight

Condition. Is the object complete?

Now draw your chosen object in the box below.

A large, empty rounded rectangular box with a black outline, intended for drawing a chosen object.
